- prepare the individual for becoming a member of society.

[◀ Add Question Here](#)

Question 4 **Multiple Choice** **0 points**

[Modify](#) [Remove](#)

Question Which of the following is the major focus of the field of psychology?

Answer

- human society
- helping people solve problems
- the operations of government
- ✓ individual behavior and mental processes
- all of the above

[◀ Add Question Here](#)

Question 5 **Multiple Choice** **0 points**

[Modify](#) [Remove](#)

Question The main focus or unit of analysis for sociologists is:

Answer ✓ groups.

- strange people.
- individuals.
- unusual occurrences.
- events which other sciences cannot explain.

[◀ Add Question Here](#)

Question 6 **Multiple Choice** **0 points**

[Modify](#) [Remove](#)

Question _____ have developed techniques for measuring such things as prices, supply and demand, money supplies, rates of inflation and employment.

Answer

- Journalists
- ✓ Economists
- Talk show hosts
- Sociologist
- Anthropologists

[◀ Add Question Here](#)

Question 7 **Multiple Choice** **0 points**

[Modify](#) [Remove](#)

Question According to _____, the task of the sociological imagination is to see the relationship between individual experiences and larger social forces.

Answer

- Harriet Martineau
- Karl Marx
- ✓ C. Wright Mills
- Emile Durkheim

Auguste Comte

[◀ Add Question Here](#)Question 8 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** The sociological imagination asks us to

- Answer** ✓
- broaden our perspective beyond individual experiences.
 - narrow our perspective by looking only at particular events.
 - theorize without seeking actual evidence.
 - improve our society.
 - suspend judgment until all of the facts have been gathered.

[◀ Add Question Here](#)Question 9 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** The sociological imagination would have us view an individual's mate selection as based on:

- Answer**
- the social values we internalize from our family.
 - the social values we internalize from our peers.
 - the social values we internalize from our neighbors.
 - the social values we internalize from television heroes.
 - ✓ all of the above.

[◀ Add Question Here](#)Question 10 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Both sociologists and psychologists are interested in alcoholism; however in investigating alcoholism, a _____ would be most interested in the patterns of alcohol consumption among individuals and social groups.

- Answer**
- psychologist
 - ✓ sociologist
 - both of these
 - neither of these

[◀ Add Question Here](#)Question 11 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Which of the following social sciences is interested in employment, recession, inflation, and price indices?

- Answer**
- Political science.
 - Sociology.
 - Social psychology.
 - ✓ Economics.
 - History.

[◀ Add Question Here](#)Question 12 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Both sociologists and historians are interested in the past. Using a recent military war as a case for investigation, a sociologist would be most interested in:

- Answer**
- particular battles and how they were won or lost.
 - individual military and political leaders and the strategies they developed.
 - whether American involvement in the war was moral or immoral.
 - ✓ the impact of the war on political attitudes and events in the United States.
 - how various smaller battles affected the outcome of the larger war.

[◀ Add Question Here](#)Question 13 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** What is the main difference between sociology and social work?

- Answer**
- Sociology uses theory and social work does not.
 - Social work overlaps with psychology while sociology does not.
 - ✓ Social workers help people with problems while sociologists try to understand why problems exist.
 - There really is no difference between sociology and social work.
 - Because their research may be misused, sociologists have higher ethical standards.

[◀ Add Question Here](#)Question 14 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Why did sociology as a discipline emerge?

- Answer**
- Rapid social change was occurring.
 - There was a need for a systematic analysis of society.
 - People were affected by the impact of discovering how others lived.
 - a and b above.
 - ✓ a, b and c above.

[◀ Add Question Here](#)Question 15 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Who gave sociology its name?

- Answer** ✓
- Auguste Comte.
 - Émile Durkheim.
 - Karl Marx.
 - Henri Saint-Simon.
 - Herbert J. Simpson.

[◀ Add Question Here](#)**Question 16 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** According to Comte, *social statics* was the study of

- Answer** ✓
- how the institutions in society are interrelated.
 - how social change takes place during periods of revolution.
 - how to rebuilt societies when the moral fabric has declined.
 - how sociology can become a separate academic discipline.
 - how societies pass through stages of development over time.

[◀ Add Question Here](#)**Question 17 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** According to Comte, the focus of social dynamics is:

- Answer** ✓
- how societies develop and change over time.
 - the interrelationships of social institutions and their stability.
 - the idea of a perfect society.
 - how groups can be unpredictable.
 - the relationship between the individual and the social group.

[◀ Add Question Here](#)**Question 18 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** Who of the following was (were) a pioneer in the development of the science of sociology?

- Answer**
- Émile Durkheim.
 - Harriet Martineau.
 - Max Weber.
 - Karl Marx.
 - ✓ all of the above

[◀ Add Question Here](#)**Question 19 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** This sociologist published *Theory and Practice of Society in America* which was based on traveling though 19th Century America and conducting an analysis of day--to-day life, customs, and lifestyles.

- Answer** ✓
- Harriet Martineau
 - Auguste Comte.
 - Herbert Spencer.
 - W.E.B.DuBois.
 - Robert Merton

[◀ Add Question Here](#)**Question 20 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** Suicides by people who kill themselves out of a sense of duty to the group or self-sacrifice would be termed _____ suicides by Durkheim.

- Answer**
- egoistic.
 - ✓ altruistic.
 - anomic.
 - atomic.

[◀ Add Question Here](#)**Question 21 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** During periods of rapid social change, the suicide rate often increases. Durkheim would term such suicides:

- Answer**
- particularistic.
 - ✓ anomic.
 - egoistic.
 - altruistic.
 - fatalistic.

[◀ Add Question Here](#)**Question 22 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** You just learned that a person you knew in high school committed suicide. You were surprised until you later learned that the person had developed into something of a "loner" and had cut off ties with her church, family, and closest friends. Complicating matters, your friend had been unemployed for many months. Following Durkheim, you would be most likely to classify her suicide as:

- Answer**
- altruistic.
 - fatalistic.
 - anomic.
 - ✓ egoistic.
 - particularistic.

[◀ Add Question Here](#)**Question 23 Multiple Choice 0 points**[Modify](#) [Remove](#)**Question** Of the following theorists, who believed that the entire history of human societies could be seen as a history of struggles between those who own and control the means of production and those who do the work?

- Answer**
- Émile Durkheim.
 - ✓ Karl Marx.
 - Herbert Spencer.
 - Max Weber.
 - Harriet Martineau.

[◀ Add Question Here](#)Question 24 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Karl Marx equated power with

- Answer**
- elitism purchased by excessive wealth.
 - physical attractiveness and strength.
 - possession of values that are important to a group.
 - achievement of a high level of education.
 - ✓ ownership of the means of production.

[◀ Add Question Here](#)Question 25 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Which of the following sociological perspectives views society as a system of highly interrelated structures or parts that operate together harmoniously?

- Answer**
- conflict.
 - interactionism.
 - societalism.
 - ✓ functionalism.
 - none of the above.

[◀ Add Question Here](#)Question 26 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Marx predicted that eventually

- Answer**
- workers and owners would work things out through better labor laws.
 - ✓ workers would organize and take control of the economy.
 - owners would redistribute wealth more equitably to workers.
 - the most powerful would prevail and control everyone else.
 - owner-sponsored unions could develop and intervene on behalf of the worker.

[◀ Add Question Here](#)Question 27 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Which of the following is a finding from Durkheim's study of suicide?

- Answer**
- Protestants have higher suicide rates than Catholics.
 - Single people have higher suicide rates than married people.
 - People without children have higher suicide rates than people with children.
 - ✓ a, b, & c above.
 - none of the above.

[◀ Add Question Here](#)Question 28 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Members of the cult in Jonestown committed suicide by drinking Kool-Aid laced with cyanide at the request of their leader Jim Jones. This type of suicide would be characterized by Durkheim as

- Answer**
- ✓ altruistic.
 - anomic.
 - egoistic.
 - integrated.
 - unintegrated.

[◀ Add Question Here](#)Question 29 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Durkheim was interested in suicide primarily because he wanted

- Answer**
- to solve a major social problem in the France of his day.
 - ✓ to show that what was thought to be a personal act was patterned by social forces.
 - to show that psychological conditions, for example depression, were more important than economic conditions in suicide rates.
 - all of the above.

[◀ Add Question Here](#)Question 30 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Who was the first African-American to receive a PhD from Harvard?

- Answer**
- Harriet Martineau.
 - ✓ W.E.B. Du Bois.
 - W.I. Thomas.
 - Robert K. Merton.
 - Herbert Spencer.

[◀ Add Question Here](#)Question 31 **Multiple Choice** **0 points**[Modify](#) [Remove](#)**Question** Sociologically, the positive connection between hours of study and students test scores demonstrates _____ preparing before taking examinations.

- Answer**
- a finding about test taking ability, not the
 - random event unconnected to the
 - an example of the need for intervention for students who are unengaged in
 - a latent function of
 - ✓ a manifest function of

[◀ Add Question Here](#)

- Question 32 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** Where hillsides have been cleared to provide lumber for housing boom, rain often causes mud-slides. Sociologists would regard mudslides as
- Answer**
- the negative effects of global warming which has increased rainfall nationally.
 - a cost which has to be born, by some members of society for the betterment of others.
 - a bad method of securing lumber.
 - a major outcome of a clash of values over which policies are best for America.
 - ✓ a latent outcome of that method of cutting trees on hillsides where rain is a possibility.
- [Add Question Here](#)
- Question 33 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** Marx's view of societies is considered the basis for which of the following perspectives in sociology?
- Answer**
- functionalist.
 - ✓ conflict.
 - symbolic interactionist.
 - ethnomethodological.
 - reactionary.
- [Add Question Here](#)
- Question 34 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** DuBois argued for the acceptance of African Americans into:
- Answer**
- law schools.
 - medical schools.
 - the clergy.
 - the military.
 - ✓ all areas of society.
- [Add Question Here](#)
- Question 35 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** A sociological theory concerned with the issues of who benefits from particular social arrangements and how the powerful maintain their positions is known as
- Answer**
- ✓ conflict theory.
 - coercion theory.
 - functionalism.
 - symbolic interactionism.
 - concentric zone theory.
- [Add Question Here](#)
- Question 36 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** Which of the following is **not** true about the sociologist, W.E.B. Du Bois?
- Answer** ✓
- Because of institutionalized racism, he was never able to obtain a college degree.
 - He advocated militant resistance to white racism.
 - He believed that doctrines and theories had a powerful effect on social conditions.
 - He felt sociological studies of African Americans would have a positive effect on white public opinion.
- [Add Question Here](#)
- Question 37 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** Which of the following characterizes the interactionist perspective?
- Answer**
- How individuals develop their sense of self has been a major focus of interactionists.
 - Interactionists are more likely than functionalists to base their work on the theories of Mead, Garfinkel, and Goffman.
 - Ethnomethodology and dramaturgy can be thought of as part of the interactionistperspective.
 - ✓ a, b, & c above
 - none of the above
- [Add Question Here](#)
- Question 38 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** A symbolic interactionist would be most likely to ask which of the following questions?
- Answer**
- What function does the education system serve for the larger society?
 - Why is education a useful service?
 - How is the educational system used to benefit those in power?
 - ✓ What messages are communicated to students by the structure in which education takes place?
 - How does the economic system determine the welfare system?
- [Add Question Here](#)
- Question 39 **Multiple Choice** **0 points** [Modify](#) [Remove](#)
- Question** Which of the following perspectives is concerned, primarily, with the meaning that people place on their own and one another's behavior?
- Answer**
- Functionalism
 - ✓ Symbolic interactionism
 - Conflict theory
 - Middle-range theory
 - Ethnomethodology
- [Add Question Here](#)
- Question 40 **Multiple Choice** **0 points** [Modify](#) [Remove](#)

Question The main purpose of a paradigm is to

Answer ✓ provide a model or conceptual framework for asking questions and guiding research
 legitimate sociology as a science relative to other forms of knowledge
 eliminate the need to collect data as the theory can tell one the answer in advance
 differentiate sociology from other sciences.
 show the growth of the field of sociology relative to social work, history, psychology, cultural anthropology, and economics.
