

Student: \_\_\_\_\_

1. According to Waite and Gallagher, "Not being married can be \_\_\_\_\_ to your health.  
\_\_\_\_\_
2. About 60% of all US couples have \_\_\_\_\_ at some time.  
\_\_\_\_\_
3. In our continuous quest to market technological solutions to human problems, much has been made of the computer's potential for connecting human beings. \_\_\_\_\_% of families with children have Internet access.  
\_\_\_\_\_
4. Women have served as leaders of more than 20 countries around the world, but a woman has yet to serve as \_\_\_\_\_.  
\_\_\_\_\_
5. Children generally fare better when their parents are \_\_\_\_\_.  
\_\_\_\_\_
6. \_\_\_\_\_ are the most common stressors couples and families face.  
\_\_\_\_\_
7. Those who use the Internet to lure children into participation in sexual behavior are known as \_\_\_\_\_.  
\_\_\_\_\_
8. Strategies designed to engage citizens to make changes in their communities is known as the \_\_\_\_\_.  
\_\_\_\_\_
9. As business commentators and politicians point out, we live in a \_\_\_\_\_ economy.  
\_\_\_\_\_
10. Approximately what percentage of the United States population marries at least once?  
A. 50%  
B. 65%  
C. 75%  
D. 85%
11. Most people need intimate relationships with other people. Intimacy is sharing with another person all of the following EXCEPT:  
A. financially.  
B. intellectually.  
C. physically.  
D. emotionally.
12. Which American ethnic group has the highest percentage of single parents?  
A. White  
B. Latino  
C. African American  
D. Asian American

13. Of those people who get divorced, about \_\_\_\_\_ eventually remarry.
  - A. 75%
  - B. 60%
  - C. 40%
  - D. 30%
14. Currently, about \_\_\_\_\_ of all American adults are married.
  - A. one in four
  - B. less than half
  - C. more than half
  - D. three out of four
15. Currently, about \_\_\_\_\_ of all American adults are divorced.
  - A. 10%
  - B. 25%
  - C. 40%
  - D. 50%
16. Any definition of family should be broad enough to encompass a range of family structures, dynamics, and:
  - A. values.
  - B. resources.
  - C. functions.
  - D. goals.
17. Which of the following would be part of your family, as defined by the United States Bureau of the Census?
  - A. your grandmother, who lives in a nursing home
  - B. your sister, who lives with her husband two hundred miles away
  - C. your brother, who rents a room in your basement
  - D. all these
18. Contemporary families may include:
  - A. families with disabled parents and children.
  - B. same-sex parents.
  - C. foster care families.
  - D. all of these
19. Anthropologist Margaret Mead first labeled which of the following trends?
  - A. serial monogamy
  - B. cohabitation
  - C. casual matrimony
  - D. nomothetic research
20. About what percentage of marriages each year are first marriages for both the bride and groom?
  - A. 44%
  - B. 54%
  - C. 63%
  - D. 71%
21. What is the median age for first marriage for men and women?
  - A. 27 for males, 26 for females
  - B. 25 for males, 23 for females
  - C. 28 for males, 25 for females
  - D. 26 for males, 23 for females

22. In 2005, the number of single-parent families was:
- A. 15%.
  - B. 37%.
  - C. 40%.
  - D. 50%.
23. If current divorce and remarriage rates hold, some social scientists predict that \_\_\_\_\_ of U.S. children will have lived in a one-parent household by the time they are 18 years old.
- A. 10%
  - B. 22%
  - C. 33%
  - D. 60%
24. Which of the following statements is false?
- A. The median age for marriage for men and women is in their 20s.
  - B. The majority of people who divorce do not remarry.
  - C. Ninety percent of all Americans marry at least once.
  - D. The number of stepfamilies is growing.
25. Married people are happier than:
- A. single people.
  - B. widowed people.
  - C. cohabiting people.
  - D. all of the above.
26. There has been a recent reversal of a trend, with \_\_\_\_\_% of mothers with infants in the labor force in 2002, down from \_\_\_\_\_% in 1998.
- A. 55%/59%
  - B. 33%/75%
  - C. 42%/99%
  - D. 10%/90%
27. The birth rate in the United States hovers around \_\_\_\_ births per woman over the past 20 years.
- A. one
  - B. two
  - C. three
  - D. four
28. The most recent figures indicate that nearly 21 million children under five years of age live in this country. Who are the most common regular caregivers of these children?
- A. child-care centers
  - B. family day-care centers
  - C. sitters in the child's home
  - D. parents
29. Suicide alone resulted in over \_\_\_\_\_ deaths in 2006 in the United States.
- A. 14,000
  - B. 29,000
  - C. 33,000
  - D. 50,000
30. In the year 2006, \_\_\_\_\_ women were raped every day.
- A. 6
  - B. 60
  - C. 600
  - D. 6,000

31. Nationwide, nearly 800,000 children who were victims of abuse and neglect in 2007, \_\_\_\_\_ accounted for the highest rate of victimization.
- A. children from birth to 1 year old
  - B. children from birth to 10 years old
  - C. children from 1 year old to 5 years old
  - D. children from 10 years old to 15 years old
32. In 2001, the majority of homicides and suicides in the United States were done with:
- A. knives.
  - B. ropes.
  - C. firearms.
  - D. poison.
33. With the growth of the \_\_\_\_\_, sex reaches into homes causing concern about child exploitation.
- A. movie industry
  - B. television industry
  - C. music industry
  - D. Internet
34. With the emergence of women in traditionally male roles, particularly in positions of power, \_\_\_\_\_ are being redefined.
- A. salaries
  - B. work schedules
  - C. gender roles
  - D. men's rights
35. 85,000 deaths attributed to \_\_\_\_\_ in a single year make it the third leading actual cause of death.
- A. smoking
  - B. illegal drugs
  - C. alcohol
  - D. heart disease
36. More than \_\_\_\_\_ of all couples cohabit before marriage.
- A. 15%
  - B. 25%
  - C. 60%
  - D. 82%
37. The leading cause of preventable death in the U.S. is \_\_\_\_\_.
- A. alcohol
  - B. illegal drugs
  - C. heart disease
  - D. smoking
38. On average smokers die \_\_\_ years earlier than non-smokers.
- A. 6
  - B. 13
  - C. 20
  - D. 30
39. About 85,000 people die prematurely each year as a result of alcohol misuse. Similarly, 443,000 smoking and nonsmoking Americans die each year from diseases related to legal cigarette smoking. Meanwhile, an estimated \_\_\_\_\_ die each year from illegal drugs.
- A. 17,000
  - B. 500,000
  - C. 600,000
  - D. 1,100,000

40. 1 in \_\_\_\_\_ youths receive unwanted sexual solicitation on the Internet.
- A. 7000
  - B. 700
  - C. 70
  - D. 7
41. Men use the Internet \_\_\_\_\_ compared to women.
- A. more
  - B. less
  - C. equally
  - D. never
42. Women have served as leaders in \_\_\_\_\_ countries around the world, but a woman has yet to serve as president of the United States.
- A. 3
  - B. 5
  - C. 12
  - D. 23
43. People from \_\_\_\_\_ years use the Internet more than any other adult age group.
- A. 18 to 24
  - B. 25 to 34
  - C. 35 to 54
  - D. 55 to 64
44. Those who are \_\_\_\_\_ use the Internet more than those who are \_\_\_\_\_.
- A. married, single
  - B. divorced, married
  - C. widowed, divorced
  - D. single, married
45. Current research shows \_\_\_\_\_ of families with children have Internet access.
- A. 35%
  - B. 48%
  - C. 59%
  - D. 64%
46. One recent study shows that \_\_\_\_\_ of parents have made efforts to monitor and regulate their teen's Internet use.
- A. 52%
  - B. 61%
  - C. 33%
  - D. 21%
47. The impersonal forces of urban living can be countered by creating villagelike social structures in a:
- A. neighborhood.
  - B. workplace.
  - C. religious institutions.
  - D. all of these
48. Villages today are also being created in \_\_\_\_\_:
- A. rural areas.
  - B. small towns.
  - C. on ranches.
  - D. in cyber space.

49. \_\_\_\_\_ are the most common stressors couples and families face.
- A. Religious issues
  - B. Parenting issues
  - C. Sexual issues
  - D. Financial issues
50. Financial issues are the most common couple and family stressors
- A. among those in poverty.
  - B. among those in the middle class.
  - C. among those who are financially set.
  - D. regardless of how much money is made.
51. What proportion of children in this country is now living in poverty?
- A. 1 in 50
  - B. 1 in 30
  - C. 1 in 5
  - D. 1 in 3
52. Of all the poor people in this country, what percentage are children?
- A. 15%
  - B. 22%
  - C. 33%
  - D. 78%
53. It can be argued that the impact of the ups and downs of the global economy is felt the most severely by:
- A. governments.
  - B. politicians.
  - C. farmers and ranchers.
  - D. couples and families.
54. Waite and Gallagher report there is growing evidence that people are \_\_\_\_\_ if they are in a marriage.
- A. healthier
  - B. happier
  - C. wealthier
  - D. all of these
55. Betty Friedan, a pioneer in the latest wave of feminist movement, says, "People's priorities—men's and women's alike—should be affirming life, enhancing life, not:
- A. greed."
  - B. money."
  - C. marriage."
  - D. death."
56. If you grew up in a troubled family, the task of building a strong family of your own is:
- A. daunting.
  - B. possible.
  - C. impossible.
  - D. easy.
57. Marriage by its nature is a \_\_\_\_\_ institution.
- A. multifaceted
  - B. legal
  - C. dynamic
  - D. traditional

58. \_\_\_\_\_ provides strategies to engage citizens to make changes in their communities and provides direction to family professionals and community citizens to come together to solve problems that affect individuals and families. (26)
- A. The National Coalition for the Homeless
  - B. The Families and Democracy Model
  - C. Administration for Children and Families
  - D. A social psychologist
59. Besides occurring in couple relationships, intimacy occurs in:
- A. parent-child relationships
  - B. relationships with extended family
  - C. relationships with those who take the place of family
  - D. all of these
60. Contemporary families are more varied than ever.  
True False
61. In about two-thirds of marriages taking place each year, both the bride and the groom are marrying for the first time.  
True False
62. The decline in the number of stay-at-home moms since the 1950s has shown a reversal in recent years.  
True False
63. The connection between parents and their children typically ceases to exist after a divorce.  
True False
64. Men and women are waiting longer than ever before to get married for the first time.  
True False
65. One growing trend regarding marriage is that the number of marriages continues to decrease over time and is at the lowest in our country's history.  
True False
66. While a majority of the U.S. population is married, that majority continues to decrease over time.  
True False
67. The social environment shapes us much more than we can shape the social environment.  
True False
68. We are not puppets of the social environment and we preserve our human dignity by taking responsibility for our own lives.  
True False
69. Being abused as a child does not justify abusing one's own children.  
True False
70. Many observers have argued that our fast-moving and competitive social environment is not directly related to the high rate of marital dissolution we experience in this country and in the increase in single-parent families and stepfamilies.  
True False
71. Most observers would argue that America is becoming less violent.  
True False
72. In 1999-2000, handguns were used in the murders of 73 individuals in Great Britain, 33 in Sweden, 36 in Switzerland, 183 in Canada, 65 in Australia, 27 in Japan, and 10,828 in the United States.  
True False

73. Data from recent years indicates one-third of female murder victims are killed by intimates.  
True False
74. The Internet is used most by people aged 35 to 54.  
True False
75. Women have served as leaders of 23 countries around the world, but a woman has yet to serve as president of the United States.  
True False
76. Men and women use the Internet equally.  
True False
77. Alcohol is the third leading actual cause of death in the United States.  
True False
78. Few observers today predict a resurgence of population in most rural areas, especially those outside commuting distance from good-size cities.  
True False
79. Women are the true pioneers of the gender revolution.  
True False
80. Religious issues are the most common stressors couples and families face.  
True False
81. Twenty-five percent of the children in this country now live in poverty.  
True False
82. There are many more single-parent families today than in 1970.  
True False

# 1 Key

1. According to Waite and Gallagher, "Not being married can be \_\_\_\_\_ to your health.  
(p. 13) **hazardous**  
*Olson - Chapter 01 #1*
2. About 60% of all US couples have \_\_\_\_\_ at some time.  
(p. 8) **cohabited, or lived together**  
*Olson - Chapter 01 #2*
3. In our continuous quest to market technological solutions to human problems, much has been made of the computer's potential for connecting human beings. \_\_\_\_\_% of families with children have Internet access.  
(p. 23) **59**  
*Olson - Chapter 01 #3*
4. Women have served as leaders of more than 20 countries around the world, but a woman has yet to serve as \_\_\_\_\_.  
(p. 24) **President of the United States**  
*Olson - Chapter 01 #4*
5. Children generally fare better when their parents are \_\_\_\_\_.  
(p. 15) **married**  
*Olson - Chapter 01 #5*
6. \_\_\_\_\_ are the most common stressors couples and families face.  
(p. 25) **Financial issues**  
*Olson - Chapter 01 #6*
7. Those who use the Internet to lure children into participation in sexual behavior are known as \_\_\_\_\_.  
(p. 23) **pedophiles**  
*Olson - Chapter 01 #7*
8. Strategies designed to engage citizens to make changes in their communities is known as the \_\_\_\_\_.  
(p. 26) **Families and Democracy Model**  
*Olson - Chapter 01 #8*
9. As business commentators and politicians point out, we live in a \_\_\_\_\_ economy.  
(p. 26) **global**  
*Olson - Chapter 01 #9*
10. Approximately what percentage of the United States population marries at least once?  
(p. 7) A. 50%  
B. 65%  
C. 75%  
**D. 85%**  
*Olson - Chapter 01 #10*
11. Most people need intimate relationships with other people. Intimacy is sharing with another person all of the following EXCEPT:  
(p. 2) **A.** financially.  
B. intellectually.  
C. physically.  
D. emotionally.  
*Olson - Chapter 01 #11*

12. Which American ethnic group has the highest percentage of single parents?

(p. 11)

- A. White
- B. Latino
- C. African American**
- D. Asian American

*Olson - Chapter 01 #12*

13. Of those people who get divorced, about \_\_\_\_\_ eventually remarry.

(p. 9)

- A. 75%**
- B. 60%
- C. 40%
- D. 30%

*Olson - Chapter 01 #13*

14. Currently, about \_\_\_\_\_ of all American adults are married.

(p. 8)

- A. one in four
- B. less than half**
- C. more than half
- D. three out of four

*Olson - Chapter 01 #14*

15. Currently, about \_\_\_\_\_ of all American adults are divorced.

(p. 8)

- A. 10%**
- B. 25%
- C. 40%
- D. 50%

*Olson - Chapter 01 #15*

16. Any definition of family should be broad enough to encompass a range of family structures, dynamics, and:

(p. 5)

- A. values.
- B. resources.
- C. functions.**
- D. goals.

*Olson - Chapter 01 #16*

17. Which of the following would be part of your family, as defined by the United States Bureau of the Census?

(p. 4)

- A. your grandmother, who lives in a nursing home
- B. your sister, who lives with her husband two hundred miles away
- C. your brother, who rents a room in your basement**
- D. all these

*Olson - Chapter 01 #17*

18. Contemporary families may include:

(p. 10)

- A. families with disabled parents and children.
- B. same-sex parents.
- C. foster care families.
- D. all of these**

*Olson - Chapter 01 #18*

19. Anthropologist Margaret Mead first labeled which of the following trends?

(p. 9)

- A. serial monogamy**
- B. cohabitation
- C. casual matrimony
- D. nomothetic research

*Olson - Chapter 01 #19*

20. About what percentage of marriages each year are first marriages for both the bride and groom?  
(p. 9) A. 44%  
**B.** 54%  
C. 63%  
D. 71%

*Olson - Chapter 01 #20*

21. What is the median age for first marriage for men and women?  
(p. 8) A. 27 for males, 26 for females  
B. 25 for males, 23 for females  
**C.** 28 for males, 25 for females  
D. 26 for males, 23 for females

*Olson - Chapter 01 #21*

22. In 2005, the number of single-parent families was:  
(p. 10) A. 15%.  
**B.** 37%.  
C. 40%.  
D. 50%.

*Olson - Chapter 01 #22*

23. If current divorce and remarriage rates hold, some social scientists predict that \_\_\_\_\_ of U.S. children will have lived in a one-parent household by the time they are 18 years old.  
(p. 11) A. 10%  
B. 22%  
C. 33%  
**D.** 60%

*Olson - Chapter 01 #23*

24. Which of the following statements is false?  
(p. 8) A. The median age for marriage for men and women is in their 20s.  
**B.** The majority of people who divorce do not remarry.  
C. Ninety percent of all Americans marry at least once.  
D. The number of stepfamilies is growing.

*Olson - Chapter 01 #24*

25. Married people are happier than:  
(p. 14) A. single people.  
B. widowed people.  
C. cohabiting people.  
**D.** all of the above.

*Olson - Chapter 01 #25*

26. There has been a recent reversal of a trend, with \_\_\_\_\_% of mothers with infants in the labor force in 2002, down from \_\_\_\_\_% in 1998.  
(p. 12) **A.** 55%/59%  
B. 33%/75%  
C. 42%/99%  
D. 10%/90%

*Olson - Chapter 01 #26*

27. The birth rate in the United States hovers around \_\_\_\_ births per woman over the past 20 years.  
(p. 12) A. one  
**B.** two  
C. three  
D. four

*Olson - Chapter 01 #27*

28. The most recent figures indicate that nearly 21 million children under five years of age live in this country. Who are the most common regular caregivers of these children?  
(p. 19)  
A. child-care centers  
B. family day-care centers  
C. sitters in the child's home  
**D. parents**
29. Suicide alone resulted in over \_\_\_\_\_ deaths in 2006 in the United States.  
(p. 20)  
A. 14,000  
B. 29,000  
**C. 33,000**  
D. 50,000
30. In the year 2006, \_\_\_\_\_ women were raped every day.  
(p. 20)  
A. 6  
B. 60  
**C. 600**  
D. 6,000
31. Nationwide, nearly 800,000 children who were victims of abuse and neglect in 2007, \_\_\_\_\_ accounted for the highest rate of victimization.  
(p. 20)  
**A. children from birth to 1 year old**  
B. children from birth to 10 years old  
C. children from 1 year old to 5 years old  
D. children from 10 years old to 15 years old
32. In 2001, the majority of homicides and suicides in the United States were done with:  
(p. 20)  
A. knives.  
B. ropes.  
**C. firearms.**  
D. poison.
33. With the growth of the \_\_\_\_\_, sex reaches into homes causing concern about child exploitation.  
(p. 23)  
A. movie industry  
B. television industry  
C. music industry  
**D. Internet**
34. With the emergence of women in traditionally male roles, particularly in positions of power, \_\_\_\_\_ are being redefined.  
(p. 24)  
A. salaries  
B. work schedules  
**C. gender roles**  
D. men's rights
35. 85,000 deaths attributed to \_\_\_\_\_ in a single year make it the third leading actual cause of death.  
(p. 21)  
A. smoking  
B. illegal drugs  
**C. alcohol**  
D. heart disease
